TO : Director of Training  
THRU : Chief, Operations School, OTR  
FROM : Chief, Training Assistance Staff, Operations School

SUBJECT: Weekly Activity Report #29  
21 - 27 September 1965

## A. SIGNIFICANT ITEMS:

None to report.

## B. OTHER ITEMS:

### 1. TRADECRAFT GUIDE:

[redacted] has finished the laborious job of typing the Tradecraft Guide translated by the [redacted] from the Spanish version. The carbon from which she had to type was none too clear, so that in addition to having to consult the dictionary constantly she had the problem of eyestrain as well as tedium. She is relieved to be through with it, and we hope that a reading by a [redacted] speaker will not turn up many requirements for corrections. This chore, like the original review, will fall to [redacted] when he returns from his TDY in Latin America.

### 2. CHANGES:

[redacted] and former [redacted] dropped in for a routine visit on 23 September. They brought us a copy of the Intelligence Corps Newsletter of 26 August containing information on the alleged simplification of the command structure [redacted] As near as we can figure it out, a four-headed major general will be replaced by a b.g. and two colonels, each with the standard number of heads, and one command position will fade away like the traditional old soldier. (We have a copy of the Newsletter which is available for perusal by anyone who reads Army.) We do not think these changes will have any significant effect on [redacted]

3. FILMS:

25X1 a. [ ] C/OCR/Graphics, arranged a showing for OTR  
instructors of a new, unadvertised film, "Life in a Prison  
25X1 Camp." According to the producer, the film was "made to order"  
25X1 for the Agency. [ ] got the impression it might deal  
with hostile interrogation. I advised those instructors who  
are interested [ ] of the showing. Unfortunately,  
it does not cover the subject at all.

25X1 b. [ ] <sup>VS</sup> AF/OSI, called to say that his training  
group would like to borrow OTR's film series again. One course  
is scheduled for mid-February. He said it was possible that a  
course will also be set up for November. I suggested he put  
his request in writing when OSI plans are firm.

25X1 c. [ ] a former CIA staff member now with  
the Department of Labor, called to ask whether OTR had any films  
dealing with how to question witnesses in trial proceedings or  
how lawyers should conduct themselves in a courtroom. I sug-  
gested that he get in touch with CIC instructors [ ]  
[ ]
